

Teacher Leader Master's Review Committee Recommendations to Education Professional Standards Board:

1. Continue the Teacher Leader Master's Program with detailed modifications as a choice option for KY educators seeking Rank change.
2. Adopt these modification requirements for the Teacher Leader Master's (TLM) Program:
 - A. TLM programs shall be aligned with CAEP Standards for Advanced Programs including the cross cutting themes of technology and diversity.
 - B. TLM programs shall provide opportunities to enhance P-12 student achievement by directly focusing on the Program of Studies, Kentucky Academic Standards, and College and Career Readiness Standards.
 - C. TLM programs shall follow the Teacher Leader Program Review Guidelines (August 31, 2016).
 - D. TLM programs shall reflect the Teacher Leader Model Standards which align with InTASC Standards.
3. Direct the Education Professional Standards Board staff to develop regulations that will set forth the standards for the TLM programs reflecting the modified requirements above, and an Implementation Plan, with the ability to hold EPPs accountable for compliance.
